Operation: Disneyland Vacation 2015

Task 1: Go to the Disneyland website on your iPod touch, tablet or a laptop (disneyland.com) You should be able to find just about everything you need for this questionnaire from this website (it is mobile-friendly).

Task 2: Enter the dates of our family vacation: October 3-10, 2015. You will also need to enter the number and ages of our family to begin pricing hotels and tickets.

Task 3: Find a hotel for us to stay in and consider/answer the following questions:
1. Is the price per person or for the whole family?
2. Does the price of the hotel include any tickets to Disneyland?
3. Are any meals included?
4. Is there a pool?
5. How far is the hotel from the park?
6. Is it close enough to walk?
7. Or will we need to take a shuttle?
8. Is the shuttle free or will it cost extra?
9. Does the room have a microwave and/or fridge?
10. What is the price for the week?
11. Does the hotel have good customer ratings?

Task 4: Find the price of tickets. We will want 5 days of Park Hopper tickets. Hint: https://disneyland.disney.go.com/tickets/
1. Use your calculator and find out how much it will cost for YOU to enjoy one full day at Disneyland?
2. How much will it cost for YOU to enjoy all 5 days at Disneyland?
3. Will the memories be worth the cost to you?

Task 5: Disneyland Information
1. What time does Disneyland open and close?
2. What time does California Adventure open and close?
3. When is it possible to see the fireworks show?
4. When is it possible to view World of Color?
5. Will there be any special events going on during our visit?

Task 6: Use your rounding and estimation skills to figure out what it might cost our family to eat out 1-2 meals a day.
   Hint: Each person might cost roughly $10 a meal.

Task 7: Can you help brainstorm 2 ideas on how our family can cut food costs on this vacation?
